Accordingly, all text questions on this form have been set to the system's maximum character limit of 10,000 (1,600 words or about 3.5 pages single-spaced). Please do not feel obligated to fill all this space; **the character count is not an expectation, simply a maximum**. For each question, we've included a suggested character count to guide your response. *You'll always have more room if you need it, but if you can say it with fewer words, great!*
